

### Ways of giving during the coronavirus outbreak

In the light of the coronavirus restrictions, the question has been raised as to how it might be possible to continue giving to the Church at this time. Whilst many already giving by standing order or direct debit, if you are someone who gives to the Church using weekly envelopes, or by putting money in the collection plate at services, or using the contactless reader you may wish to know how you may be able to give to the Church at this time. There are several options you might like to consider, which are explained below.

You can give by **bank transfer**. If you wish to give in this way, the details are here, and please remember to include your name on the transaction.

One of the Parish Giving Scheme administrators will take you through the sign up process – this normally takes around 15 minutes. They will need you to have the following information to hand:

- Personal bank account details
- The name of the parish you wish to donate to
- You will need to confirm if you want to increase your gift in line with inflation each year
- Confirm if you are eligible for Gift Aid
