Post Communion - Lord God our Father, through our Saviour Jesus Christ you have assured your children of eternal life and in baptism have made us one with him: deliver us from the death of sin and raise us to new life in your love, in the fellowship of the Holy Spirit, by the grace of our Lord Jesus Christ.

Eco Pause for Thought

Repair rather than replace

Sometimes it's cheaper to replace an appliance or a small electric product rather than repairing it, but this can add to the growing problem of electronic waste. Recent "right to repair" laws mean manufacturers have to make spare parts available for an appliance for a minimum of seven to ten years after that appliance has been discontinued. In theory, this should make it easier to repair the appliances we rely on in our homes. Always get a quote to see if a repair will be cost-effective before writing off an appliance and buying another.
